

Expectations

Be Kind

- Be kind to yourself, other people in the class, any teacher, and any visitor we may have
- Be polite, courteous, and help create a safe and healthy learning environment

Attendance

- You have to be here, learning is very difficult if you are not here to interact with the information
- Excused Absences:
 - They will happen, have your parent/guardian contact the school to excuse you
 - You are responsible for missed information (use the Website videos provided)
- Unexcused Absences:
 - Avoidance is a common strategy used when not confident in your knowledge, it's a catch 22, if you miss class, the unknowns pile higher
 - Simply put, be here.
- Being late will happen. Come in and get going ASAP. Don't make it a regular occurrence.

Washroom

- Really simple. I don't need details, but I need to know when you leave the room

Seating Plan

- Nothing official, I will move you around at my leisure, if necessary
- Collaboration is encouraged and required for growth, but make sure you understand
- Getting to know each other is a healthy and positive thing, build a community

Phones

- We may be using the phone pockets, if so:
 - Phones go in when you walk in the room and stay there
- Otherwise:
 - Use phones for learning (i.e. access Website and Videos to support learning)
- No music, no calculators, I want you to connect with each other

Miscellaneous

- It my expectation that you are here
- It is my expectation that you find success
- Success looks different for everyone, but you must be open-minded and willing to try
- Mistakes happen. Mistakes are only learning opportunities
- Do not take my kindness for granted
